*International Journal of Research in Education and Science*

Dear Editors,

I would like to submit the manuscript entitled “What do we know about giftedness and underachievement? A bibliometric study” by Dr. Claudia A. Cornejo-Araya, Constanza A. Gómez-Araya, Yoselyn P. Muñoz-Huerta, and Camila P. Reyes-Vergara, from Chile, for publication as an original article in the *International Journal of Research in Education and Science*.

This article presents the main trends in the field of underachievement of gifted students, in WoS and Scopus, using bibliometric analysis.

We declare that this is an original manuscript, which has not been published before and is not currently being considered for publication elsewhere. We know of no conflict of interest with this publication..

As corresponding author, I confirm that the manuscript has been read and approved for submission by all the named authors.

Thank you for your consideration.

Sincerely,

Claudia A. Cornejo-Araya, PhD.
